SOCIETY EVENTS

The Sans Souci club was delightfully entertained this week on Monday evening at the home of Mrs. Thomas Ayers. It being Halloween Mrs. Ayers had a surprise for her guests in the decorations of her dining room, where refreshments were served. Upon entering, at first glance, all one could see was the grinning face of pumpkins placed at different parts of the room, but at glancing upon the prettily appointed table one soon noticed that the table decorations were all in keeping with the occasion, even to the menu served. Two halves of large pumpkins were arranged, one to hold apples, the other popcorn. Carrots were improvised as candlesticks and made a pretty decoration. At each place was a small pie tin, on which was a generous piece of pumpkin pie. A small keg was placed at one end of the table, from which cider was drawn. Novel place favors were the bon bon boxes, having a likeness of the witch and her broom upon them. It was an evening long to be remembered by the ladies of the club.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."
